

## Ascend Wellness Holdings Announces Partnership With Mister Jones in New Jersey

December 10, 2025

*Mister Jones Dispensary Set to Open December 19*

NEW YORK, Dec. 10, 2025 /PRNewswire/ - [Ascend Wellness Holdings, Inc.](#) ("AWH," "Ascend," or the "Company") (CSE: AAWH.U/ OTCQX:AAWH), a multi-state, vertically integrated cannabis operator, has announced a partnership agreement with Mister Jones, LLC and longtime adult-use cannabis advocate Lerone Jones. This partnership marks a significant milestone as it is one of the first under New Jersey's recent Assembly Bill A4151, which facilitates expanded investment opportunities for diversely-owned businesses in the cannabis industry. AWH will provide comprehensive support to fund the retail space and upfront capital, ensure a steady product flow, including the Company's product portfolio, and provide technical assistance to deliver backend operational support. The dispensary, located at 655 US-46, Little Falls Township, NJ 07424, is set to open on December 19th.

Lerone Jones previously worked as the Floor Supervisor at Ascend Montclair and has been an integral part of Ascend's journey, receiving mentorship and developing his operational experience in the cannabis industry. Jones founded his first company, Green Garden Advisors, and has actively advocated for adult-use cannabis in New Jersey at both the state and local levels. In 2017, Jones was invited to Las Vegas along with Senators, Assemblymen, and potential operators from New Jersey to study Nevada's legal adult-use cannabis model. The insights gained from this experience further informed his vision for Mister Jones, LLC.

"I am excited to rejoin Ascend in this new capacity and to continue our shared mission of making cannabis accessible and beneficial for all," said Lerone Jones, founder of Mister Jones, LLC. "I'm passionate about advocating for the power of the plant. This partnership reflects my belief in the potential of this industry to create jobs and stimulate growth in our communities, especially those negatively impacted by The War on Drugs. Together with Ascend, I am eager to establish a retail presence that prioritizes education for our customers."

"Partnering with Lerone Jones and Mister Jones, LLC is an exciting opportunity for Ascend to expand our footprint in New Jersey," said Grazia Laurendi, Regional Director of New Jersey for Ascend Wellness Holdings.. "Lerone's deep understanding of the cannabis industry and his commitment to advocacy make him the ideal partner for this endeavor. We are proud to support him in bringing this retail location to the Little Falls community, and we look forward to contributing to the local economy and fostering responsible cannabis use."

Mister Jones Dispensary will operate 8am to 10pm daily. A grand opening celebration is planned for December 19th and will feature giveaways, promotions and in-store activations. For more information on Mister Jones Dispensary, visit <https://misterjones.com/>.

Ascend has a strong commitment to social equity in the cannabis industry, demonstrated through initiatives such as the [CO-LAB for Social Equity](#), which focuses on restorative justice, economic empowerment, and community reinvestment. The program has also supported mentorship, education, and funding for aspiring cannabis entrepreneurs from diverse backgrounds. By fostering inclusivity and supporting community-driven initiatives, Ascend aims to help create pathways to success for minority-owned businesses.
